After the routine business Dr Craig Namvar will bring us up to date with the plan to move the Old Town Surgery to the Ice House in Rock a Nore Road.

Very Special Guest Speaker Michael Foster DL High Sheriff of East Sussex

Many people in the whole town were delighted to learn that Michael was to be appointed High Sheriff of East Sussex. This is a Royal appointment to a position dating back nearly 1,000 years. Lots of people and organisations hold Michael in high regard. In his 3 terms as the MP for Hastings and Rye he succeeded in promoting and attracting to Hastings a huge range of investment. The respect for Michael is right across the political spectrum. Many people feel that he was an exceptional Member for all of the citizens of Hastings.

Michael will talk about the story behind the position of High Sheriff and what it means in 2016. Michael will be wearing his best traditional 'outfit'.

This is truly a unique event - too good to miss.
